### **Statement by Lynn Manning, WJPA Radio News Director:**

I spoke to the Waynesburg Rotary in Greene County, Pennsylvania on April 13, 2021, via Zoom. It was a thirty-minute presentation on the broadcasting industry, specifically, radio.

Although the main focus was on how WJPA and other radio stations were weathering the pandemic, I also discussed politics and how it impacted broadcast news over the past four years, during the election and during the pandemic.

I held a Q&A session after the presentation. Below is the email I received from Barb Wise – following the session.
