Pete Povich

Program Director

WJPA Radio

Washington, PA

Dear Pete:

My deepest appreciation to you and Bruce Shakalik for coming to Waynesburg University to speak to my announcing class. The young people I mentor need to hear from talent individuals, such as yourselves, who have spent decades broadcasting.

WJPA has always been willing to connect with the Communication Department of Waynesburg and has consistently reached out to hire many of our students.

Thank you.

Sincerely,

Lanny Frattare

Assistant Professor
