Public Service, 2000 Turkeys Statement

OCTOBER - DECEMBER

Statement by Pete Povich, WJPA Program Director & 2000 Turkeys Board Member:

Every year WJPA Radio joins with the local newspaper, The Observer-Reporter, for a food drive in order to assist food-insecure families & individuals. The goal is for the aforementioned people to enjoy a Thanksgiving dinner.

This year, through our joint efforts, we raised \$213,000.000 to take care of all 13 Washington County Food Pantry's.

It also served several senior high rises and a The City Mission "Bags of Love" outreach program to supply all with a Thanksgiving dinner.

October 20, 2021

To my friends at WJPA Radio,

“Knowledge is power.”

Therefore, it is right and fitting that those who seek careers in broadcasting learn from individuals in the arena.

Bruce Sakalik and Pete Povich each gave of their time to share with my announcing class the techniques and experiences which have laid the foundation for their successful careers.

Waynesburg University and its students are deeply indebted to them for caring about the next generation of communicators.

WJPA Radio is the prototypical community station. It’s programming and dedication to excellence help to forge the spirit of Washington and Greene Counties.

WJPA Radio is the finest example of what broadcasting should be...a disseminator of information, a provider of entertainment and a beacon for those people and organizations who need assistance.

Sincerely,

A handwritten signature in blue ink that reads 'Lanny Frattare'.
