PUBLIC SERVICE REPORT | “InfoTrak” Program

Second Quarter, 2022 | WJPA 95.3FM /1450 AM

April – June, 2022

Issues:	Program:	Date/Time:	Duration:	Guests & Narratives:
Adolescent Mental Health / Parenting	Infotrak Public Affairs Program	Sunday 4/3/2022 8 am	30 minutes	Dr. Gary Freed led a nationwide poll that found that more than a quarter of parents say their adolescent children has seen a mental health specialist. He even said that pre-pandemic; mental health disorders in children were prevalent.
Environment / The Emerald Ash Bore	Infotrak Public Affairs Program	Sunday 4/3/2022 8 am	30 minutes	Emma Hudgins was the lead author of a study that estimates that over the next 30 years, 1.4 million street trees on public lands will be killed by invasive insects. Primarily the emerald ash borer.
Personal Finance / Longevity	Infotrak Public Affairs Program	Sunday 4/3/2022 8 am	30 minutes	Matthew Harding led a research that found that a person's credit score can predict when they die. He said having a low credit score doesn't mean someone is more likely to die young. He explained the two major connections between mortality & credit scores.
Substance Abuse / Mental Health	Infotrak Public Affairs Program	Sunday 4/10/2022 8 am	30 minutes	Annie Grace shared her personal struggles with alcohol addiction & how she quit. She also debunked myths connected to social drinking.
Government Spending	Infotrak Public Affairs Program	Sunday 4/10/2022 8 am	30 minutes	John Miller discussed why government costs so much & why public infrastructure projects are frequently delayed or over budget. He also offered examples to illustrate how other countries' public works projects are often completed in more cost-effective ways.
Traffic Safety & Child Safety	Infotrak Public Affairs Program	Sunday 4/10/2022 8 am	30 minutes	Jodie Plummert led a study that found that most kids' perceptual judgement & motor skills aren't developed enough to cross the street until age 14. She also outlined precautions parents should take for younger children.
Personal Productivity / Mental Health	Infotrak Public Affairs Program	Sunday 4/17/2022 8 am	30 minutes	Matt Paxton discussed the difficulties everyone faces when downsizing or trying to de-clutter their home or workplace. He said most of the emotional obstacles are connected to memories that are attached to physical objects.
Foster Care / Child Abuse	Infotrak Public Affairs Program	Sunday 4/17/2022 8 am	30 minutes	Michelle Johnson-Motoyama led a first-of-its-kind study at O.S.U. The study found that a special program designed to help some families at risk of child maltreatment had been surprisingly successful. She also said the program resulted in a 17% decrease in foster care.
Senior Citizens / Mental Health	Infotrak Public Affairs Program	Sunday 4/17/2022 8 am	30 minutes	Professor John Dattilio authored a study that demonstrated that engaging in meaningful, challenging activities during free time can reduce people's loneliness & increase their positive feelings. He also said the activity may vary, but includes artistic endeavors.
Philanthropy & Volunteerism	Infotrak Public Affairs Program	Sunday 4/24/2022 8 am	30 minutes	Les Winston explained the important distinctions between giving, charity & philanthropy. Stating that philanthropy isn't just for the rich.
Senior Citizens & Medicare	Infotrak Public Affairs Program	Sunday 4/24/2022 8 am	30 minutes	Martha Khlopin outlined the basics of Medicare, the federally-funded health insurance program for people age 65 & older. She said it's a complex system & can be overwhelming for those reaching retirement age.
Workplace Matters / Productivity	Infotrak Public Affairs Program	Sunday 4/24/2022 8 am	30 minutes	Tessa West talked about the existence of difficult co-workers at virtually every job. She offered practical suggestions to deal with jerks at work.
Consumer Matters & Economy	Infotrak Public Affairs Program	Sunday 5/1/2022 8 am	30 minutes	Tom McPharland is a car-buying expert & discussed unusual & creative fees that many dealers are adding into their prices & how consumers can deal with them.

Employment / Career	Infotrak Public Affairs Program	Sunday 5/1/2022 8 am	30 minutes	Rebecca Knight led a recent survey that found that 72% of new hires felt immediate regret because they believed they had been deceived by a recruiter. Many job seekers are accepting offers of employment, only to find the job & work environment are vastly different than the recruiter portrayed them.
Personal Health / COVID 19	Infotrak Public Affairs Program	Sunday 5/1/2022 8 am	30 minutes	Dr. Christina Abdel-Shaheed led a study that examined immune system responses linked to acetaminophen, non-steroidal anti-inflammatory drugs like ibuprofen & opioid analgesics. The results were mixed & she explained the varying effects & the implications in combating various infectious conditions, including COVID 19.
Criminal Justice / Education / Employment	Infotrak Public Affairs Program	Sunday 5/8/2022 8 am	30 minutes	Sade Lindsay is a sociologist & led a study that found that the formerly incarcerated face a “prison credential dilemma” when deciding whether to use credentials from prison when seeking employment. Her study found that just 2 of 50 former inmates were successful in using their prison education.
Adolescent Health	Infotrak Public Affairs Program	Sunday 5/8/2022 8 am	30 minutes	Heather Turgeon said today’s teenagers are caught in a perfect storm of omnipresent screens, academic overload, night owl biology & early school start times. She said today’s teens are operating in a constant state of sleep debt while struggling to meet the demands of adolescence.
Aging / Personal Health	Infotrak Public Affairs Program	Sunday 5/8/2022 8 am	30 minutes	Dakota Witzel. Ms. Witzel was the lead author of a paper that found that dwelling on negative aspects of aging can have a measurable negative impact on a person’s physical health and ability to respond to stress. She suggested ways to change thought patterns relating to getting older, to reduce stress.
Child Abuse & Parenting	Infotrak Public Affairs Program	Sunday 5/15/2022 8 am	30 minutes	Dr. Leonie Siegel led a study that reading aloud can triple a child’s resilience at school, particularly for children who have suffered maltreatment or neglect. She noted that there is an acute need to support these children & their families.
Personal Health / Government Policies	Infotrak Public Affairs Program	Sunday 5/15/2022 8 am	30 minutes	Dr. Abel Moreyra researched noisy environments – which can be annoying – but it might also harm a person’s health. The Dr.’s research has found that people experiencing high levels of noise were more likely to suffer a heart attack.
Social Security & Senior Citizens	Infotrak Public Affairs Program	Sunday 5/15/2022 8 am	30 minutes	Nancy Altman was the co-author of “Social Security Works For Everyone”, said Congress will have no choice but to take significant action to save the program. She also explained why she believes the program should be expanded even more.
Traffic Safety / Consumer Matters	Infotrak Public Affairs Program	Sunday 5/22/2022 8 am	30 minutes	Gregg Bannon discussed the latest round of AAA testing that revealed that inconsistent performance remains a problem with active driving assistance systems used in the newest cars, resulting in numerous crashes.
Personal Health	Infotrak Public Affairs Program	Sunday 5/22/2022 8 am	30 minutes	Professor Seth Noar led a study that examined the most effective anti-vaping messages for teens. He found that anti-vaping advertisements geared to teens have the greatest impact when they emphasize the adverse consequences & harms vaping can do.
Aging & Personal Health	Infotrak Public Affairs Program	Sunday 5/22/2022 8 am	30 minutes	Professor Morgan Levine discussed biological age rather than chronological age. Experts have debated for many years why some people die young, while others live much longer lives. She also said genetics only play about a 10% role in health outcomes.
Minority Concerns / Racism	Infotrak Public Affairs Program	Sunday 5/29/2022 8 am	30 minutes	Minda Harris offered advice to girls of color looking to find their voice & claim space as they prepare for high school, college & the job market. She explained how young women can create boundaries as teenagers, why locating a mentor is critical to success.

Consumer Matters / Insurance	Infotrak Public Affairs Program	Sunday 5/29/2022 8 am	30 minutes	Loretta Worters discussed the cost of home construction & skyrocketing inflation & how this could spell trouble for homeowners. She also said homeowners may discover that they are underinsured if they need to rebuild in a covered insurance plan.
Mental Health	Infotrak Public Affairs Program	Sunday 5/29/2022 8 am	30 minutes	Whitney Goodman explained the concept of "toxic positivity" in which society constantly tells people that the key to happiness is silencing negativity. She also outlined simple ways to experience & work through different emotions.
Longevity / Personal Health	Infotrak Public Affairs Program	Sunday 6/5/2022 8 am	30 minutes	Dr. Steven Wolf found that average life expectancy in the US is expected to drop by 2.26 years from 2019 to 2021, worse than any other 21 high-income nations in his study. He said the trend is related to drug overdoses, diabetes & other chronic diseases.
Personal Finance	Infotrak Public Affairs Program	Sunday 6/5/2022 8 am	30 minutes	Nick Maggiulli talked about ways to accumulate wealth. He said there are many ways to get rich, including real estate, stock funds, or growing a business.
National Parks / Physical Fitness / Poverty	Infotrak Public Affairs Program	Sunday 6/5/2022 8 am	30 minutes	Professor Camilla Hodge led a recent study of a US National Parks program called " <i>Every Kid Outdoors..</i> " This program gives families free access to national parks for one full year.
Recycling / Environment / Government Programs	Infotrak Public Affairs Program	Sunday 6/12/2022 8 am	30 minutes	Susan Robinson outlined the biggest myths surrounding recycling. She talked about the most common items that consumers place in recycling bins that don't belong there, & what items that should be recycled.

Aging / Mental Health	Infotrak Public Affairs Program	Sunday 6/12/2022 8 am	30 minutes	Cheryl Richardson discussed thought-provoking questions about what matters at mid-life. She shared her personal story of being dissatisfied with a successful career once she reached her fifties.
Retirement Planning / Senior Citizens	Infotrak Public Affairs Program	Sunday 6/12/2022 8 am	30 minutes	Dr. Maria Fitzpatrick co-authored a study that found that men who retire & start claiming Social Security when they turn 62 experience a 20% higher likelihood of early death. She talked about what retirees can do to stay healthy.
Personal Health / Aging & Nutrition	Infotrak Public Affairs Program	Sunday 6/19/2022 8 am	30 minutes	Professor Valter Longo discussed his 25 years of research on aging, nutrition, disease & longevity. He believes, in addition to exercise & a healthy diet, that periodic fasting may be the key to a longer & healthier life.
Women's Issues / Mental Health & Physical Fitness	Infotrak Public Affairs Program	Sunday 6/19/2022 8 am	30 minutes	Professor Kathleen Ginis led a study that found that just a half-hour of exercise a day can have a profound effect on a women's body image, making her feel both stronger & thinner. She noted that women have a tendency to feel negative about their bodies.
Suicide / Agriculture / Mental Health	Infotrak Public Affairs Program	Sunday 6/19/2022 8 am	30 minutes	Professor Corinne Peek-Asa noted the number of suicides among farmers & farm workers in the US & how it has remained stubbornly high since the end of the 1980's farm crisis. She outlined the cultural & occupational factors that may contribute to this issue. She believes the solution may lie in existing resources in farming & rural communities.
Personal Health	Infotrak Public Affairs Program	Sunday 6/26/2022 8 am	30 minutes	Geoffrey Tofler led a study that found that about one in five amateur athletes over 35 had one or more possible cardiac symptom during a soccer game in the prior year, but only one quarter of them sought medical attention. He talked about potential symptoms & risks & explained why immediate treatment is crucial.

Women's Issues & Personal Finance	Infotrak Public Affairs Program	Sunday 6/26/2022 8 am	30 minutes	Sarah Foster noted that a recent survey found that 46% of women say that money issues negatively affect their mental health, compared to 38% of men. She outlined reasons & advised women to track their saving progress over time & find ways to earn more money via side gigs.
Travel & Consumer Matters	Infotrak Public Affairs Program	Sunday 6/26/2022 8 am	30 minutes	Bill Guerin offered advice on the most effective strategies to save money on hotel reservations & other travel. The cost of airfare & hotels have hit record highs this summer & she offered advice for consumers to get the most bang for their buck.
