

AVELLA AREA COMMUNITY FESTIVAL FESTIVAL CANCELLED

**DUE TO INCLEMENT WEATHER
& POOR AIR QUALITY**

★ — AVELLA AREA COMMUNITY FESTIVAL UPDATE — ★

It is with great disappointment that the Avella Area Community Festival Committee has made the difficult decision to cancel the festival.

After closely monitoring the forecast, deteriorating weather conditions, and the ongoing air quality concerns caused by smoke from the Canadian wildfires, we determined that moving forward would not be in the best interest of the safety of our attendees, volunteers, vendors, entertainers, and staff.

This decision was not made lightly. After more than six months of planning and countless hours contributed by volunteers, sponsors, municipalities, and community partners, we share in your disappointment.

We are incredibly grateful for the overwhelming support our community has shown and are already exploring options to RESCHEDULE THE FESTIVAL.

We will share updates as soon as they become available.

Thank you for your understanding, your patience, and your continued support of the Avella Area Community Festival. We look forward to celebrating with you soon.

★ *Thank you for being the heart of our community.* ★
